

## ADVICE TO ALL WATER CUSTOMERS

As a permanent water conservation measure,  
a mandatory ban is now in place.

This will greatly reduce evaporation losses

**NO FIXED SPRINKLERS BETWEEN 10 AM AND 5 PM**

**THE BAN APPLIES TO ALL CUSTOMERS, INCLUDING RESIDENTIAL,  
COMMERCIAL AND INSTITUTIONAL CUSTOMERS**

**The ban does not apply to:**

- sub-soil or drip irrigation systems
- hand held watering,
- car washing
- filling pools

**ALL WATER CUSTOMERS ARE REQUESTED TO  
REDUCE WATER USE BY APPROXIMATELY 20%**

Advice is provided by Riverina Water on how this can be achieved.

**WAGGA WAGGA CUSTOMERS HAVE WEEKLY WATER TARGETS TO  
MEASURE HOW CONSUMPTION HAS BEEN REDUCED.**

**THE WATER TARGETS ARE PUBLISHED AT THE START OF EACH WEEK**
